

We're launching Kora at Evoluon

GROW YOUR BUSINESS, MEET AND NETWORK IN SPACES. STAGE AWESOME CONFERENCES

AND LAUNCH EVENTS IN AN ICON OF WORLD ARCHITECTURE.

When you visit Kora at Evoluon (Eindhoven, The Netherlands), you'll find the help you need to make your ideas into businesses. You can develop your existing business, make new connections and find new markets. You can get individual coaching and advice and even find support to see what is possible for you. Or you can just come along and work here for an hour, a day or for years if you want. Pop along to one of our learning events. Drop in for a coffee. Hire one of our meeting rooms. Generate big ideas with your team in one of our innovations rooms. Or simply find the ideal location for a truly amazing conference. And grow.

WHAT'S COMING UP HERE?

Kora at Evoluon is home to many leading events, awards and conferences – including the annual Innovations Awards. Alongside these major events, every month, we hold dedicated receptions for Kora members to network and meet new people at our Casual Thursdays and our Kora breakfasts. You can take part in all of these events both within Kora at Evoluon and at all the events at all of our other Kora locations around the world online when you join Kora. You can even explore how we can help you and your business – free of charge. Just sign up for email updates so that we can make sure you're always in touch. Watch this space.

INSPIRING SPACE

Within this space-age building, you will discover everything you need to work today – and tomorrow. You can sit and work in some of the most amazing co-working spaces in the world, with fast Wi-Fi, tea and coffee. Or work alongside colleagues in open plan or private offices. We've got meeting rooms to help your pitch or board meeting succeed, and innovation rooms that can help you and your team take your business to bigger and better things. Evoluon has long been home to some of the most important conferences and launch events. So why not launch yourself from Kora at Evoluon?

BUSINESS AND INDIVIDUAL COACHING

If you're looking to grow yourself, your idea or your business, our team can help you every step of the way. You can find coaching and mentoring to turbocharge your personal and business development. We can help you with company creation and with finding and entering new markets. We can even help you meet the right people to give you the funding you need. We'll make it easier for you to find the business services you need through our approved network of local professionals. And if you want to interact with a network of like-minded local people, our Entrepreneurs Lounge gives you a private space to work and connect.
